McClory Sponsors 7 Bills

Congressman Robert McClory (R-Lake Bluff) last week introduced in the U. S. House of Representatives seven bills designed to implement major parts of the Nixon Administration program for rescuing the Nation's environment.

"It has become clear," McClory stated, "that Americans have too casually and too long ignored and abused their natural environment. We can no longer afford delay in repairing damage already done and in establishing new guidelines for the future."

Four of the McClory-sponsored bills recommended by President Nixon deal with water pollution, a subject of special interest to Representative McClory whose 12th District of Illinois borders on Lake Michigan. Those bills would authorize \$4 billion to cover the Federal share of the estimated needed for construction of

Depke Support Mounts

Robert Depke, candidate for treasurer, has been endorsed by Republican precinct committeemen in Cuba and Warren Townships. This brings to 10 the number of township endorsements he has received.

Other townships which have endorsed his candidacy are Antioch, Lake Villa, Grant, Zion, Benton, Newport, Vernon and Waukegan.

The Cuba Township endorsement was made after interview.

Tornado Details Issued

As another tornado season approaches, Lake County Civil Defense Director Richard Willer reminds residents to acquaint themselves with the tornado safety rules.

SHELTER — Seek inside shelter if possible. If in the open, move away from a tornado's path at a right angle. If there is no time to escape, lie flat in the nearest depression, such as a ditch or ravine.

IN OFFICE BUILDINGS — The basement or an interior hallway on a lower floor is safest. Upper stories are unsafe. If there is no time to descend, a closet or small room with stout walls, or an in-

Antioch Grade School PTA Set Meeting

The March meeting of the Antioch Grade School P.T.A. will be held on the 16th, at 7:30 p.m. in the school gymnasium. There will be a short business meeting, followed by the program.

This month will be the gym demonstration under the direction of Alexis Zabore and Patrick Fitzgerald. Children from all grades will be participating. Refreshments will be served by the Third and Fourth Grade Room Mothers.

Alan Elliott Named Aurora Glass V.P.

Alan Elliott, RR 2, Box 469, Antioch has been elected by classmates to serve as freshman class vice-president at Aurora College. Elliott will hold the responsibility through the 1969-70 school year that ends in May.

A 1969 graduate of Antioch Community High School, Elliott is the son of Mr. and Mrs. John Stecker. Officers elected included a president, vice-president, secretary, treasurer and social activities chairman.

Chamber, Rotary Hear Expert

The Antioch Chamber of Commerce and Rotary Club were given the details on research on pollution control at a recent luncheon held in Lorenz's Smart Country House.

Speaker for the occasion was David Kee, of the Department of the Interior. He showed slides of areas hit by pollution in Lake Michigan from steel mills and chemical plants.

Chamber President LaVerne Woods announced that William Seemann, a member of the staff of Antioch High School will be chairman of the newly formed Chamber committee to study pollution.

Woods said that Kee's information will be helpful in bringing into focus to the general public the pollution of our natural environment.

Attending the luncheon meeting as representatives of the Chain O' Lakes Resort Owners Association were Mr. and Mrs. Ed Krupo.

Huge Crowd Turns Out For Petty V.I.P. Dinner

One had to look twice on entering the lower level of Lorenz's Smart Country House to make sure that they were in the right place for the V.I.P. Dinner-Dance honoring Dr. W. C. Petty.

The banquet hall looked more like a classroom than a classroom does.

The hall was covered with all kinds of pictures honoring Dr. Petty, the County Superintendent of Schools, drawn and designed by the children of the grammar schools of the near-by area.

And if the hall was a classroom that night it was one of the best classes that was ever held.

There were 300 people who came to honor Dr. Petty as the second Antioch V.I.P.

During the course of the evening Dr. Petty was presented with a copy of the "little red school house" from the State Bank of Antioch, a plaque from Mayor Toft, representing the people of the Village, a personal gift and plaque honoring him as the V.I.P. of 1970 from Rev. Eugene L. Keusal, representing St. Peter's Church which sponsors the Dinner Dance.

Albert Dittman, representing the Antioch Methodist Church, of which Dr. Petty is a member, Thomas Mann from the State office of the Superintendent of School, Circuit Court Judge LaVerne Dixon, a friend of Dr. Petty, and Father Keusal were outdone in words only by Dr. Petty himself.

James Lumber, the Master of Ceremonies for the evening, did a wonderful job of introducing the speakers of the evening. St. Peter's certainly wishes to thank Lumber and also the State Bank of Antioch and Gibbs & Jensen and all those who helped in any way to make the evening the great success that it was.

The Chairmen, Dr. John Boardin and Donald Hanson, and the committee are grateful for a wonderful evening.

Science Fair Set

The Antioch Community High School will host the 13th annual Science Fair on Wednesday, March 18, 1970.

Projects representing the work of the 7th and 8th grades from area grade schools and from Antioch Community High School students will be represented.

Doors will open for public viewing at 8:00 p.m.

William Rentschler, at microphone, addresses audience of about 150 attending the annual installation and dinner of the Antioch Township Republican Club. Rentschler is a Republican candidate for U.S. Senator in next Tuesday's primary election.

Rentschler Sees Victory

William H. Rentschler, Lake Forest Republican seeking his party's nomination for U.S. Senator in next Tuesday's primary said in Antioch Township Saturday night that the real question is who can beat Democrat Adlai Stevenson III in the general election.

Rentschler, who said he is beholden to no one, spoke at the Installation Dinner of the Antioch Township Republican Club.

He characterized his opponent in the primary, U.S. Sen. Ralph T. Smith, of Alton, as being "wishy-washy, hand picked, and with a record of being beholden to Big Labor."

Rentschler said he was the one who could be the Democrat in the general election and that when elected he would stand for all of the people of Illinois.

The candidate declared that he

Smith Pushes College

U.S. Senator Ralph Tyler Smith (R-Ill.) proposed Friday that the Fort Sheridan site be used for a Lake County State College, if the 5th Army is transferred.

The Senator issued his statement during a newspaper interview in Waukegan.

"Early Wednesday," Smith said, "My Washington office learned of the defense Department's plan to cease or curtail operations at nine military installations throughout Illinois. I immediately instructed my staff to undertake a survey of the impact of the proposed shutdowns and cutbacks upon the economy and the well being of communities in the vicinity of each affected installation. I will be addressing myself to the problems of each of those communities in the near future."

Today, however, I am making a proposal that may well turn the stumbling block of a Fort Sheridan closedown or cutback into a stepping stone for the young men

A Way Out Of The Gov't Wilderness

(Eighth in a series of articles on the importance of local government today. This concluding one looks at the past and at the future for new ideas and solutions to problems of the 1970's.)

During the 1970's our social structure and the way in which it is run emerges as America's new frontier.

Very few geographical frontiers remain to be explored. Besides, Uncle Sam has taken charge of those that are left.

Big Government has taken over social, economic and political controls, too. And, in the process, a virtual wilderness is growing around us.

Yet, these forces have not yet taken over the minds of men who wish to explore this new wilderness.

Solutions do not come as easily, however, as they may have in the older frontier days. Governmental leaders find no easy answers. The "intellectuals" sometimes think they have solutions, but too often their answers do not allow for realities.

The average citizen tends to be

come forgotten, frustrated and helpless. Or, he takes life as it is within a comfortable clearing he has carved out for himself and his family.

Youth resists and dissents. (Continued on page six)

Antioch Man Gets Jail Term

Benjamin S. Albergo, 37, of 1031 Main St., Antioch, pleaded no contest last week to charges he failed to file a 1963 income tax return when his gross income was at least \$31,700 and was sentenced to 30 days in the DuPage County Jail.

The government charged that Albergo's 1963 income came principally from a confidence game. He was placed on probation in 1963 in connection with burning three homes under construction in Norwood Township and extorting funds from Marnul Home Builders of Chicago.

Election Day Is Tuesday

Lake County voters will troop to the polls next Tuesday in primary elections to select party candidates for the general election in November for county treasurer, county sheriff, county superintendent of schools and U. S. Senator, all on the Republican side of the ledger.

There are no races on the Democratic side and no races on either side for county clerk.

Veiling for the county treasurer's spot are Warren Township Supervisor Robert Depke, chairman of the Lake County Board

County Schools To Close For Seminar

Lake County Superintendent of the Education Service Region W. C. Petty will conduct separate institutes again this year for elementary and secondary school teachers on Friday, March 13. All public schools in the county will be closed that day.

Elementary school teachers, kindergarten through eighth grades, will meet in the West Campus auditorium of Waukegan Township High School at 8:45 a.m. Principal speakers at the morning session are Dr. and Mrs. J. Lloyd Trump, and Harry S. Brudy. Dr. Trump, associate secretary of the National Association of Secondary School Principals in Washington, D.C., will discuss "Schools of the Future". Mr. Brudy, of the University of Illinois, will speak on "Values of Youth in 1980". Individual group sessions will take up such subjects as: "Inter-disciplinary Team Teaching"; "Achievement Motivation Programs"; "Individualized Instruction"; "The Learning Center"; and the "Waukegan Follow-Through Program".

High School teachers will hold their institute in Ross Auditorium on the grounds of Great Lakes Naval Training Center. Speakers will cover: "Legal Issues Affecting Teachers"; "Emerging Na-

tions of Africa"; "World Disarmament"; "Facts of Life, Health, and Happiness"; and "Revolution on the Move". Speakers include: Allen Schwartz, a Chicago Attorney; Ben H. Brown, Ambassador to Liberia; Clare Timberlake, Bureau of Public Affairs, U.S. State Dept.; Robert J. Samp, professor, University of Wisconsin; and George Anne Geyer, foreign correspondent for the Chicago Daily News.

Deputy Louis Harceg of the Lake County Sheriff's Department has been awarded a public service citation from the Cook County Sheriff's Office. Harceg was commended for his assistance on Jan. 3, in the capture of two men accused of an armed robbery in Palatine Township and recovery of the stolen money.

Harceg accompanied two Cook County investigators to a trailer park where two suspects were arrested; a gun, clothing believed used in the robbery, and a portion of the loot found.

Former Mundelein city engineer and director of public works, Robert J. Degen, has joined the Lake County Public Works Department as assistant superintendent.

Our Selections

There are only three contested Republican races on the county level when election day rolls around next Tuesday and we would like to give our selections for those posts.

We pick Robert W. Depke for the post of treasurer in the Republican primary because we believe that Depke has proven himself an administrator during his two years as chairman of the Lake County Board of Supervisors.

As the duties of the treasurer are set by statute the need for a strong administrator is most apparent. He is a man of ability with a background of achievement.

We select Orville S. (Pat) Clavey for the post of sheriff out of the four that are running in the primary.

Clavey, during his time as Coroner of Lake County has demonstrated his administrative ability and fiscal know-how and has a background in law enforcement.

He, along with Depke, typifies the new, young politician that has been needed in the county for some time.

We feel that Clavey can put the sheriff's office back on a sound footing in Lake County through solid programs that he has advocated.

Our selection for County Superintendent of Schools is James G. Flood.

Flood has been assistant superintendent to Antioch's W. C. Petty since 1963 and is the most qualified choice to assume the office on Petty's retirement.

He has a solid background in school administration and has held posts on all levels before assuming his present duties.

Whether you agree with our choices or not, we urge you, however, to get out and vote Tuesday in the primary election.

It is one of our greatest rights.

We Pick Rentschler

William Rentschler of Lake Forest is our selection when we go to the polls next Tuesday to choose the Republican for U.S. Senator to face the Democrat in the fall general election.

We kind of like Bill Rentschler's style.

We also like the fact that no one hand-picked him to run for the post he is seeking.

Many will say that Bill Rentschler has not held any elected office.

To that we say, so what. Just because a man did hold an office would not necessarily qualify him for this post. In fact, he might not have been qualified for the post he left.

Bill Rentschler, in our opinion, speaks out on the issues and he is challenging the machine that our good governor is trying to build in Illinois.

We kind of like that too.

Rentschler has also challenged his opponent in the primary—appointed U.S. Sen. Ralph T. Smith, to debate the issues of the campaign. Smith has continually backed away from that challenge, a politically sound move, no doubt, but one that would hardly endear him to the voters.

But another thing has also swung us over to Rentschler's camp.

When a man who has demonstrated that he is a working Republican—like Rentschler—is deliberately left out of meetings where—as a candidate he is entitled to go—that kind of smacks of dirty pool and we don't like it. Not from the governor, or from anyone for that matter.

But the main reason we back Rentschler is because we believe that he is the kind of a man who we would want to represent us in Washington.

CIRCUS SPECIAL

The first to fifth graders at Grass Lake School will enjoy a trip to the Shrine Circus in Chicago Thursday; tickets were given anonymously by a couple whose generosity really rings the bell. The upper grades will not be entirely forgotten because they will be treated to a special movie at the school in the afternoon.

VACATIONERS RETURN

Bill and Ann Dvorak just returned from a marvelous trip looking great and having mixed emotions about this climate after the perfect weather they enjoyed on their vacation.

The Gordon Sillanoff's are also back from their vacation in Florida and getting ready for another thrilling season of auto racing at the Waukegan Speedway.

Evelyn Dean was surprised by a shower her friends at Grass Lake P.T.A. gave her. She will become Mrs. Thomas Ditzig March 20 at the Antioch Methodist Church.

Letters to the Editor

I'M COVERING THE WATERFRONT

Undeterred by the many problems such as broker's misrepresentation concerning furnishings, leaky roof, frozen pipes, sticky doors, disappearing piers, and snowdrifts, falling up to the fatty acid into fisherman's traps, blowing fuses to well-pump, Lee and Penny Hauser are sticking it out on their new home in Villa Rica.

There must be twenty to thirty huts without counting the fishermen without protection. They are taking good size walleye and northern. That might entice some to venture out to ice-fish but not me. I'm content to sit here by the fireplace with my powerful binoculars and spy in comfort. If you're not on a honeymoon this place is romantic enough to make you feel you are. Members of the Lake County Board finance committee met Friday with Harold "Pat" Hendrick, Manager of Lafayette Life Insurance Company the firm which underwrites the employee group plan, and received a dividend check amounting to \$3,946.76. The money goes back into the county corporate fund.

1969 was the first year county government had provided a group life policy for its employees. Hendrick said he was pleased to announce there would be no change in the premium this year. Last year the company paid six life claims totaling \$24,500 on a premium of \$35,723 covering all 750 full-time employees.

County Board Chairman Robert W. Depke said he was pleased with the dividend and the service provided by Lafayette to the families of deceased employees. Depke was a prime mover in initiating a group life policy, stating it is a fringe benefit offered by practically all private industry today, and necessary not only for individual protection but as an incentive to attract and hold qualified personnel.

BUSY WEEKEND

It was difficult to get to all the special events last weekend—the VIP dinner, Antioch Township Republican dinner and the High School concert. All events were well attended and it was wonderful to see Dr. and Mrs. Petty with their family. One son came from California just for the special day.

At the Republican Dinner William Rentschler, and his lovely wife were welcome guests.

Bill and Virginia Murphy also enjoyed the festivities and Bill received a big round of applause from all his friends.

Remember the Primary, and vote.

Antioch 4-Hers Keep Busy

The members of the Antioch Adventurers 4-H Club have, as usual, been very busy. Debra and Diane Layton have a 4-H poster on exhibit at the State Bank of Antioch. This will be entered in the National 4-H poster contest.

The Club invited Daniel Karod, a foreign exchange student from Antioch High School, to attend the February meeting of the Volo Busy Bees. Their guest speaker was Marta Martinez, an exchange student from Venezuela. Daniel was invited back to speak and show slides at their March meeting.

The Antioch Adventurers are now working on their 4-H skit for Share-the-Fun Night which will be held the last week in April at the Lake County Farm Bureau.

Rotarians Hear Pollution Details

On Monday, March 2nd, a delegation of 16 Rotary members including four Inter-Act boys from the high school, Rich Vanderwerker, Ron Ozga, Chip Gross, Reed Ano, attended an Illinois Water Pollution Commission Luncheon at the Blue Moon Restaurant, Elgin.

Secretary Klein discussed the need for corrective measures needed to be implemented NOW in our lakes and streams. Commission hearings were held in the morning and afternoon with interested people and industry. The luncheon was sponsored by the Elgin Rotary Club and was attended by 300.

Blue and Gold Dinner Draws 250 Persons

Sunday, Feb. 22, Cub Scout Pack 192 held their Blue and Gold Dinner with approximately 250 parents and children in attendance. Dinner was served following the presentation of colors by the Webelos den and invocation by Pat Polsgrove. Each Cub was presented a Cub Scout coin purse as a gift from their sponsor, the Antioch State Bank.

Honored guests were Mr. and Mrs. Norman Edwards, Scoutmaster of Troop 92, Mr. and Mrs. Gordon DeBoer, former committee chairman of Pack 192 for many years, and Mr. Jim Blass, institutional representative and his fiancée, Miss Sherry Giammo.

Cubmaster Ray Gallagher began presentation of awards with a Bobcat pin to Jeff Smouse, Jack Esther and Bob Kelly each received a Silver Arrow under Wolf. Mike Connors was awarded his Wolf badge, gold arrow and two silver arrows.

Larry Bolton earned a gold arrow and silver arrow under Bear and Jack Esther was awarded his gold arrow.

Gary Hill received his Denner stripes and Greg Nixon received his Assistant Denner stripes.

Webelos awards were as follows: Jim Christiansen—Outdoorsman and athlete; Mike Voling—Outdoorsman and athlete; Webelos shoulder ribbons were presented to Jack Esther, Keith Radke and Chris Oddsen.

Year pins were presented to Lee Brooks, Michael Connors, John Fields and Adolph Kirby.

Adults receiving one year pins for working in the pack were: Tarrle Brooks, Pat Polsgrove, Judy Kirby, Kathy Haley, Lee Koenig, Ray Gallagher, Barbara Gallagher, Marshall Plechaty and Bob Schroeder. Two year pins went to Alice Bessette, Pat Christiansen and Irv Walsh. A special plaque was presented to Norman Edwards in appreciation of

Frank Benes Committeeman Candidate

March 17th is the big day! The Primary election will take place in Lake County.

Precinct No. 4 suffered a great loss by the recent passing of Helen Burke, Republican Committee Woman. She was very active in politics.

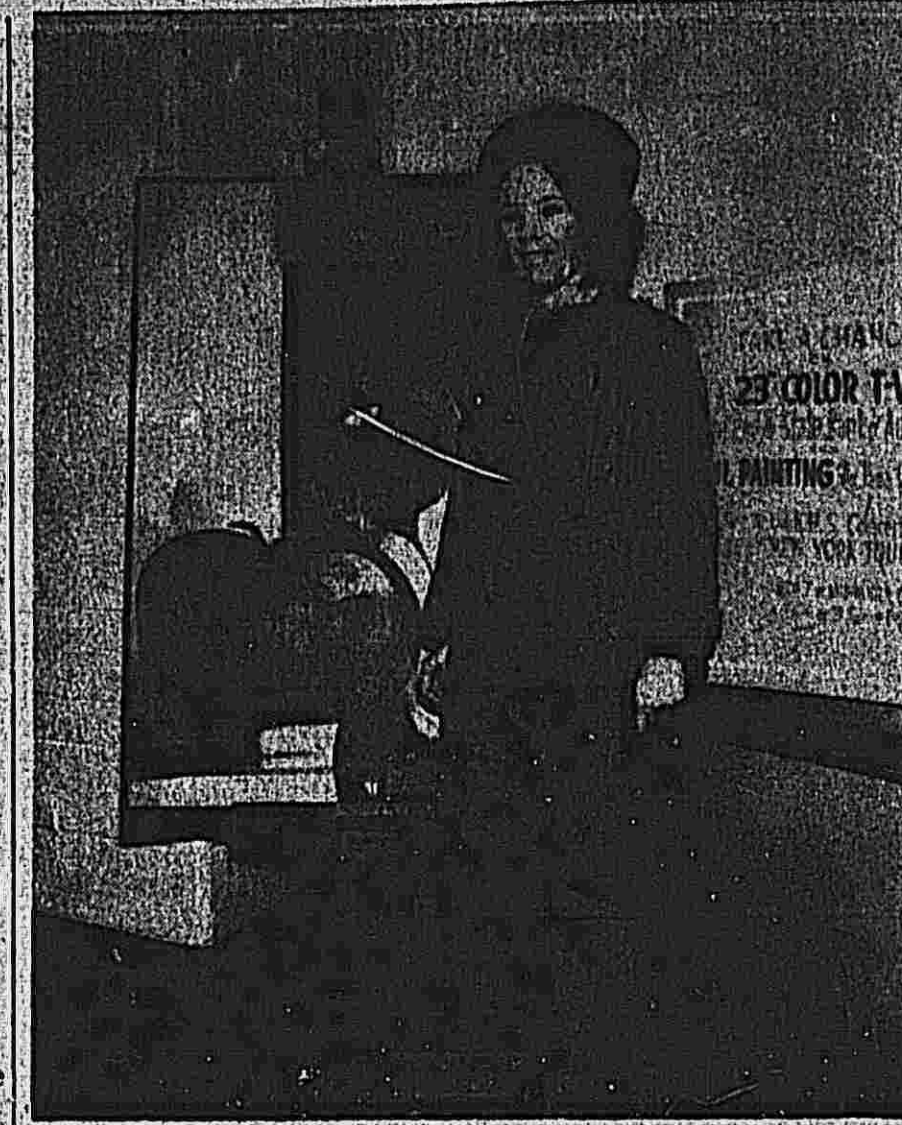

Frank J. Benes would like to represent Precinct 4 in this year's election. He is very interested in

outstanding service with the Cubs, especially the Webelos den.

The Pack wishes to extend a thank you all who helped in the preparation of the Blue and Gold dinner, especially the committee: Mrs. Atwood, Mrs. Luloff, Mrs. Lemke, Mrs. Radtke, Mrs. Espasillo and Mrs. Thibedeau.

There was a four-way tie for attendance with the pennant going to Den 4 by a drawing. The Webelos den hiked to Deer Lake in January. Hospital favors for the month were made by Den 4.

The March Pack meeting will be held Thursday, March 19, promptly at 7:30 p.m. at the Methodist Church in Antioch. Rocket races will be run at this meeting.

County Residents Bond Buy Reported

Lake county residents purchased a total of \$558,666 in series E and H bonds and Freedom Shares in January according to Richard F. Kennedy, Waukegan, and Richard D. Newland, Waukegan, general county chairmen of the savings bonds committee.

Sales in the state of Illinois were \$28,493,666 according to Clarence S. Sochowski, market director of the Treasury's savings bonds division. This is 23.7% above the \$23,029,182 sold in December but 13.8% below sales for January last year.

Illinois sales represented 7% of the national total for January which was 407 million.

main issues are tight money and high interest rates and the burden put on the already overburdened taxpayer.

He said that the federal budget can be pared by \$10 billion out of defense, the space program and by putting a lid on subsidy payments to farmers.

At the state level, he said, the "unnecessarily high income tax rate can be cut. It is time we give the taxpayers some relief."

Rentschler also said he was in favor of ending the draft and having a voluntary army, but praised the President's present program for withdrawing American forces from Vietnam.

Rentschler said there is no need for new laws or money to keep society orderly, but what is needed is a firm, fair, impartial enforcement of the laws presently on the books.

He said the system should free the innocent promptly and punish the guilty promptly.

The candidate said he believes his campaign was soaring and exuded confidence.

Antioch Township Supervisor Lloyd E. (Red) Murrie installed the new officers of the club.

The latest endorsements I have received, together with those made earlier, are the type of support and help I need in this campaign," Depke said. "I have worked extremely hard for the people of Lake County in years past and the endorsement of these committeemen encourages me to continue my record of public service."

Depke noted that he has also received the endorsement of the majority of Republican precinct committeemen in a number of other townships, many of which did not publicly endorse candidates for the primary.

Depke is completing his second year as Chairman of the Lake County Board of Supervisors. He is seeking his first county elective office on a campaign of bringing new efficiency and improved service to the taxpayers and taxing district of Lake County through earlier distribution of tax funds.

Warren committeemen endorsed Depke as a "favorite son". He has served the township for nine years as supervisor and formerly as a Republican precinct committeeman.

Bell Details Expansion Plan In '70

Illinois Bell Telephone will spend \$401 million—or more than one million dollars per day—during 1970 to construct and expand its service and facilities, according to the company's 1969 annual report.

The report, now being sent to share owners, also noted that last year the company "added more telephones and handled more calls—both local and long distance—than ever before in our history."

Company President Charles L. Brown characterized 1969 as a year of "vigorous growth and wide-ranging accomplishment" marred by persistent cost inflation.

The company added 260,000 telephones in 1969, and has seen the number it serves jump by almost two million during the past 10 years—"more growth than Illinois Bell had in its first 64 years of business, through World War II," the report says.

"In 1969 we handled some 6.4 billion telephone conversations—a jump of 385 million over 1968 and fully 60 per cent higher than the rate of a decade ago," it said.

Long distance calls rose 12 per cent during the year and have increased 75 per cent in just five years, the report says, noting that long distance volume appears to be doubling every eight to nine years.

"The year's accelerated growth in telephones and calling volume, coupled with catch-up expansion projects we had left from 1968, boosted our 1969 construction program" to a record \$337 million, according to the report.

It added: "We estimate this year's construction needs will be even larger—\$401 million. Illinois Bell is now spending at the rate of more than \$1,000,000 per day in this necessary program; we now think that, in this era of rising costs, we will have to invest \$2 billion during the next five years to meet demand, extend and improve our service."

In commenting on the report today, Brown said, "The combination of an on-going construction program of this scope with our extensive new facilities is the best possible assurance we can provide to users of Illinois Bell service. It surely should forestall a shortage of service of the kind which has afflicted some areas of the country in which there have been unprecedented demands for more phones."

As its volume of business grew, the company's revenue also rose, President Brown says in his message to the share owners.

"But this revenue growth was badly out-paced by soaring costs of operation—accelerated by the quickening of inflation," he notes.

The company's revenue rose 9.6 per cent to \$948.2 million while operating costs—driven by inflation—rose even faster, soaring 15.2 per cent to \$552 million.

"Operating taxes rose 2.5 per cent to \$243,579,000. Another \$31,300,000, in excise taxes, was collected from customers for the federal government. Together these taxes represented 32 per cent of the customer's average telephone bill in 1969," the report said.

As reported earlier (1-22-70), Illinois Bell's net income was \$125,087,000, down \$3,788,000 from that of 1968. Earnings per share was also down, to \$2.32 on both average and year-end shares—compared with results in 1968 of \$2.49 on average shares and \$2.39 on year-end shares.

As a result, in December, Illinois Bell petitioned the Illinois Commerce Commission for its first general rate increase in nearly 17 years, citing "severely and dangerously eroded" earnings.

During 1969, Illinois Bell and its people were busy in a number of activities advancing the social development of the communities it serves:

—They sponsored a new television series to help the large Chicago-area Spanish speaking community.

—They developed a speech therapy program for the use of elementary school teachers.

—They helped launch a black-directed organization aimed at finding jobs, and providing training and basic education for unemployed minority group members.

"These activities, and many others during the year," the report said, "stem from our conviction that involvement in social change is a natural ingredient of our growth and development as a business."

There are significant increases in the number of disabled veterans studying in colleges and pursuing on-the-job training. Administrator of Veterans Affairs Donald E. Johnson reported today.

Johnson said nearly 14,800 trainees, some 4,100 more than last year, were participating in training programs on January 31, 1970.

"More than 9,500 disabled veterans, almost 3,400 more than last year, are attending college this year, thus continuing the trend toward college level training," he said.

"On-the-job trainees increased almost 48 per cent, from 612 to 905, for a gain of 293. Experience has shown this program to be an excellent means of training, especially as there is a job waiting for the trainee upon completion of his training," the administrator added.

The enrollment of disabled veterans in schools other than college rose over 400 from more than 3,800 in January 1969, to more than 4,200 in January 1970.

A Way Out...

(Continued from page one)

course. And, young people today do not have the escapism opportunity their counterparts had a hundred or more years ago. Then, if a young man became disenchanted or restless, he could simply mount a horse and ride West into an unlimited, unrestricted frontier. He could, significantly, grow hair as long as he liked—on his head or face—and who cared?

Today, youth feels unduly confined—right or wrong—within the wilderness around them. It effects them more than it does their elders.

There is another course: overthrow and start over. But this would only lead to anarchy and totalitarianism. Problems would only become bigger, more vicious and more oppressing.

Let's step back a moment and take a hard, clear look. Let's not forget the good lessons of history.

It will not work just to look back at glorious old times. It is necessary to review the glorious and the unglorious. It is necessary to extract the reasons why things were good—and why they were bad. Then history lessons become worth re-applying.

Two times in American history presented the most critical problems. One was the founding of this country. The other was the threatened rending of it during the War Between the States.

The founding of America goes back, not only to the Revolution, but also to the establishment of Democracy in the New World during the 1600's.

The Massachusetts Bay Colonists and the Pilgrims started democratic government on the right course by placing it close to the people. They instituted "town" government, with citizens taking an active, responsible part in the control of their local affairs. This form of government culminated cohesiveness, pride and progress—with ideas and action that constantly moved things forward.

The Declaration of Independence and the United States Constitution encouraged and stimulated progress—stemming from rights given the individual.

During the 1860's, when the question of all men's freedom became the embattled issue, President Lincoln proclaimed: "Government of the people, for the people and by the people shall not perish from this earth."

The people must know where they stand. Where they are going. They must be in on the action. They must be part of their government.

During the Civil War, the people played an unfortunate role—on the battlefields.

This could happen again during the "revolution of the 1970's." There is an alternative.

Preserve, unflinchingly, the closeness of government to the people. Make them part of it. Do this in every hamlet, village and town. Do this in big cities, where it is desperately needed.

The model may very well be the concept of township government which the founders of America conceived more than 300 years ago. This is government "of the people, for the people and by the people." It is well suited to the mode of present-day America.

Whether it be township or any other form of local government, never let that close-to-the-people form of government weaken, diminish or perish.

With strong, local self-motivated effort and action by the people, many problems of today can be solved.

Let the people employ their minds, their wills, their skills and their ambitions to help conquer the threatening wilderness.

Legion Auxiliary

By DEL JAHNEKE

Mrs. Walter Hills, Americanism Chairman of the Antioch American Legion Auxiliary No. 748, announces the names of the winners of the Illinois American Legion and Auxiliary's Americanism essay contest. This year, there were three grade schools whose students participated in the contest. There were no entries from the Antioch Community High School. Over 200 essays were entered from the Antioch Community High School. Over 200 essays were entered from the Antioch Consolidated Grade School, Oaklark School and the St. Peter's Catholic Grade School. The winners were first, Mary Palaske, St. Peter's Catholic Grade School; 2nd Ken Kane, Oaklark School; and 3rd, Frances Colette, St. Peter's School; Honorable Mention, Kathy Scott, Oaklark School.

The winners, and their parents, are asked to be present at the April 13th meeting of the Antioch Auxiliary, when they will read their essays, and then receive cash awards from the Unit.

Judges were Mrs. Joseph Horton, an Auxiliary member; Robert LaBelle, teacher at Channel Lake Grade School; and Joseph Comstock, an Oaklark Grade School teacher. The title and subject matter was "What's Right With America?"

There will be a Board Meeting of the 10th District American Legion Auxiliary on March 23rd, at 8:00 p.m., at the Libertyville American Legion Home. The regular meeting of the 10th District Auxiliary will be held on April 8th, at 8:00 p.m., at the Highland Park American Legion Home.

Auxiliary members are invited to the Birthday Party Meeting of the 10th District American Legion, to be held at the Lake Zurich American Legion Home, on March 20th, at 8:00 p.m. District Commander Clarence Warnecke of Waukegan will be the presiding officer. The American Legion celebrates its 51st anniversary this March.

For a complete change of scene, Mrs. Harold Blackwell, Lake Zurich, District Foreign Relations Chairman, 10th District Auxiliary, asks: "Have you ever been to Nicaragua?" It is hoped that by the end of this American Legion Auxiliary year, the members will have read, heard and learned so much about the largest republic in Central America, that they will happily provide the 60 additional classrooms so badly needed. The American Legion Auxiliary, nationwide, has the goal of monetarily aiding in the construction of these classrooms, which will enable 2,700 children to enter school when they are completed.

"All units are asked to contribute to CARE - MEDICO, earmarked 'Nicaragua'. Color slides are available on the Auxiliary's project in Nicaragua, entitled 'Opening New Worlds', which includes a narrative script." Mrs. Blackwell urges both senior and junior members to enter some of the Foreign Relations contests. The essay contest is titled "I Dream I visited Nicaragua" and is to be an imaginary trip there in diary form. In this diary, all sorts of fascinating material pertaining to the people, culture, history, government, geography, language and education can be woven.

The Foreign Relations Scrapbook, named "A Nation and Its People" is another contest, which can include pictures, sketches, clippings, and any other miscellaneous information pertinent to the subject.

There is also a Foreign Relations Doll Dressing Contest, open only to the junior members in three age categories. Dolls must be dressed in authentic native style.

Mrs. Joseph Horton is the Antioch unit foreign relations chairman, and will be presenting a program on Nicaragua in the near future.

"THERE IS GOD" Wednesday, March 11th, 8 p.m., the Women's Guild of St. Stephen Lutheran Church, The Church On The Hill, Rte. 59 and Hillside Ave., will sponsor a film as part of the Lenten Series held each week at the Church.

In order to make this a truly helpful experience, there will be a discussion of the film, led by

Garden Club Members To Meet March 20

Members of the Antioch Garden Club please note that the next meeting has been changed to Friday, March 20.

The Garden Club of Illinois Garden Center, in Sears, Golf Mill, Niles, Illinois, invited the Antioch Garden Club to a series of programs—one a month.

At the last business meeting the group decided to attend the presentation of Advanced Flower Arranging by Mrs. Robert Stoffels.

Members in need of transportation please call President Mrs. Clarence Spiering, 395-0587, and make arrangements to leave in time to arrive at the Garden Center program before 10:00 a.m., located in the Golf Mill movie theater.

After the program, the Club members will meet in the lobby and proceed from there to the luncheon.

From the members of the Antioch Garden Club go ORCHIDS to their Program Chairman Mrs. James Shimkus and co-chm. Mrs. John Preston for working so hard to ensure the Club members of many afternoons of cheerful entertainment and chasing away the winter blues with their excellent programs.

GIRL SCOUT NEWS
The five Girl Scout troops sponsored by the Lindenhurst Women's Club, Brownie Troop 60, headed by Mrs. Joy Manuel and Mrs. Edie Dunn, Mrs. Donna Neubauer's Brownie Troop 107, Mrs. Hedy Nauer's Brownie Troop 126, and Mrs. Dolores Pottlitz's Junior Girl Scout Troop 161 and Mrs. Bunny Kurzin's Junior Girl Scout Troop 269, assisted by Mrs. Priest, held a Mexican Thinking Day celebration recently at the Lindenhurst Civic Center.

The girls were shown a map of Mexico and Guadalajara, where the Pantoja sisters are from. Mrs. Manuel showed them a drawing of a guila, the Mexican Girl Scout pin.

A delicious dinner of tamales, tacos, arroz (rice) and pollo (chicken) was served. Everyone enjoyed the hot tasting foods. Guadalupe cookies (butter cookies with anise seed and cinnamon).

The Mexican Thinking day celebration closed with the girls singing Taps. It was a day that they thought about other countries and rededicated themselves to scouting.

Girl Scout week started March 9. The concept of service to others is basic to scouting, and girls are encouraged to develop skills to serve the church, the community as well as themselves and their families.

CUB SCOUT NEWS
Cub Scout Troop 84 held their Advancement Night Feb. 26 at the Lindenhurst Civic Center.

Den mothers are urgently needed. Or perhaps a father would enjoy being a Den father. The men who are Den fathers now, enjoy what they are doing, and will continue, but in order to enlarge the pack, they need more assistance. There are many boys in Lindenhurst and Seven Hills waiting to join the Scouts.

Are you interested? If so, give anyone of the men now helping the Scouts a call. They will be more than willing to give you any information you may want.

BIRTHDAYS

We wish our friends and neighbors Dwayne Prontzak, Claude Anderson, Patricia Karry, Lorraine Lewis, Josephine Heindl, Mary Shore, Kathy Flanagan, Della Bloom, Sherri Lynn Bruce, Connie Stephanie Beyer, Gregory Glenn Pottlitz, Timmy and Ronald Reed, Dana Ess, Kathy Denis Upham, Sally Ann Bourque, Valerie Linda Dammann, Helen Thomley, Danny Hartwig and Pat Penny a happy birthday. Pat's birthday is Feb. 29. Feb. 28 was my mother's and my birthday.

ANNIVERSARIES
Congratulations to Ray and Dorothy White on their 14th wedding anniversary Feb. 25. Also, William and Linnea Serhson on their third wedding anniversary March 4. March 2 is the anniversary of Denver and Mary Shore.

Pastor Philip O. Laurin, following the refreshment period, provided a time of each Lenten Service. Mrs. F. Gibson, Mrs. J. Woods, Mrs. M. Erickson and Mrs. R. Renfro are hostesses for the evening. Members and friends are invited to participate in worship at three Lenten Services as well as the regular Sunday worship at 9:30 a.m.

The Don Schmoor's family of Dolton spent last Thursday at the Ray Rathmann home in Oakwood Knolls. On Sunday, the Rathmanns visited Mrs. Edith Wenthe of Chicago, at her home. Mrs. Wenthe and Mrs. Schmoor are Mrs. Rathmann's mother and sister, respectively.

A committee meeting was held at the Antioch Evangelical Free Church on Thursday, March 5th regarding their annual Mother and Daughter Banquet. The tentative date for this dinner is May 2nd. Mrs. Bernard Fossmark is chairman.

Sorry to report that Mrs. Anton Johnson is still confined at the Victory Memorial Hospital, and is undergoing treatment. You are wished a speedy recovery!

The Tom Rizzo's of Lake Zurich entertained the senior Ed Jahneke's, Beach Grove, last Saturday evening.

Heartiest congratulations to Mr. and Mrs. Harold Ellis, who quietly celebrated their Golden Wedding Anniversary on March 3rd!

Mr. and Mrs. Irvin Sorensen, Lake Catherine, celebrated their Golden Wedding Anniversary on March 7th, at the Antioch Evangelical Free Church. Their two daughters, Mrs. Dorothy Seaman of Forest Park, and Mrs. Alex Hiltgenberg of Bellwood, members and friends from the Antioch Evangelical Free Church, planned this party for them.

The Sorensens "exchanged their vows" again, on this, the exact date on which they were married. They were wed on March 7, 1920 in Chicago, and moved to Antioch in 1935. Over one hundred relatives and friends were present on this happy 50th anniversary occasion.

PTA To Hear Unit School Discussion

The Lake Villa PTA will present a program on the subject of Unit School Districts at its March 16 meeting. Richard Warfield, Superintendent of the unit district at Waukegan will be the featured speaker.

Although the Lake Villa School Board has not taken a position on the unit question as yet, its members have been studying the matter for some time. The board has ordered two studies on the subject and expects to make its position known at a later date.

The PTA feels that an informative program on the problems and advantages of the unit type district will be of value, especially at this time when such districts are the subject of debate in other Lake County communities.

Warfield's talk will be followed by a question period and social hour. Refreshments will be served.

The meeting will begin at 8:00 p.m. and will be held at Lake Villa's new Intermediate School on McKinley Avenue just south of Grand Avenue in Lake Villa. The general public is invited to attend.

Homemakers Install New Officers

The Lake Region Extension Homemakers held their monthly meeting and installation of new officers recently, at the home of Mrs. Ester Hamlin.

Installing officer was the outgoing President, Mrs. Mary Wells. She installed Mrs. Phyllis Drie President; Secretary, Mrs. Shirley Gutowski, and Mrs. Barbara Miller, Treasurer. The first and second vice Presidents were absent, and will be sworn in at a later date.

"Yeast Breads the Modern Way" The major lesson was presented by Barbara Miller. She showed a variety of breads and rolls which she had prepared with yeast. Everyone got to sample the results.

Homemakers Extension is part of a State-wide program, and is sponsored by the University of Illinois. There are 22 such groups in Lake County, alone.

The next meeting of the Lake Region unit will be held March 18th at 8 p.m. We cordially invite anyone who would be interested to call Mrs. Barbara Miller, 395-1197 for further information and directions to the meeting place. We welcome new prospective members.

Twins Club Meeting Set For March 17

The Lake County Mothers of Twins Club will hold their monthly meeting at 8:00, March 19 at the YMCA, 445 N. Genesee St.

After a short business meeting Chief Tom Stewart from Glenview Naval Air Station will show a film entitled "A Trip to Where". Chief Stewart will hold a question and answer period on drugs after the film.

Because of the public interest on drugs today we are having a husband and guest night.

Mothers and Fathers of Multiple-birth children are invited to attend.

Hostesses for the evening will be, Mrs. Ray O'Byrne, Highland Park, Mrs. Kenneth Mattson, Antioch, Mrs. Cecil Floyd, Winthrop Harbor.

Lakeside Rebekah Lodge No.82

By DEL JAHNEKE

Noble Grand Mrs. John Hagen, Mrs. Ralph Fields, Mrs. Charles Ferris, Mrs. Clarence Larsen and Mrs. Walter Buchert from Antioch's Lakeside Rebekah Lodge attended "Friend's Night", held at the Libertyville Masonic Hall by the Libertyville Rebekah Lodge, on March 5th.

Many Rebekah members in District No. Three shared in a "Card Shower" for Mr. and Mrs. Harold E. Ellis when they celebrated their 50th wedding anniversary on March 3rd.

The Noble Grand Mrs. Hagen announces that all Rebekah members who are taking part in the initiatory work for the District No. Three Meeting, to be held on April 6th, at Crystal Lake, will hold a practice session on March 18th, at 8:00 p.m., at the Antioch American Legion Home.

Nurses Set Sunday Tea

The 16th District of the Illinois Nurses' Association will open Illinois Nurses' Week in their district with a tea Sunday, March 15 from 2 to 5 p.m. The tea will be held at Victory Memorial Hospital in Waukegan.

The theme will be: "A Welcome to the New." The 16th District has happily and proudly welcomed the students of Nursing of the College of Lake County.

These are our future R.N.'s and Illinois Nurses' Week is the most opportune time for the other nurses of the 16th District to meet our future nurses.

All nurses in the 16th District are cordially invited to attend the tea: renew acquaintances, meet other nurses in the District, meet the students and help us get Illinois Nurses' Week off to a good start.

Moose Legion Will Meet On March 15

The Antioch Moose No. 525 Legion will have their Legion of the Moose get-together on March 15 at 4 p.m. at the Antioch Moose Home.

A short meeting will be held, with a pot luck to follow. Remember the date, Sunday after noon at the Antioch Moose Lodge.

There will be a corn beef and cabbage dinner on March 21 from 5 to 8:30 p.m. at the Antioch Moose Lodge. All members are invited to attend.

Chaplain—Robert Bywell
Surgeon—Earl Hayes
Three Year Trustee—Michael Ganger

Two Year Trustee—James Osborne

The appointive officers will be announced by Commander Horton at the regular meeting April 13.

James Osborne, who transferred from the North Chicago Post to the local post, was warmly welcomed by all members present.

CHRISTIAN SCIENCE CHURCHES

The Lesson-Sermon read in all Christian Science churches this Sunday is on "Substance," which Mary Baker Eddy defines in "Science and Health with Key to the Scriptures" as follows: "Substance is that which is eternal and incapable of discord and decay." (p. 468)

One of the Bible verses in the Lesson-Sermon is from Matthew: "No man can serve two masters; for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon."

Readings from "Science and Health" include the following from the Christian Science textbook: "Absorbed in material selfhood we discern and reflect but faintly the substance of Life or Mind. The denial of material selfhood aids the discernment of man's spiritual and eternal individuality, and destroys the erroneous knowledge gained from matter or through what are termed the material senses." (p. 91)

The public is welcome to attend services at 11 A.M. at First Church of Christ, Scientist, BEACON HILL, Rte. 173 & Harden, Antioch, Ill.

It's a genuine pleasure to give advice when that's all a man wants.

40 reasons why the electric dryer stacks up as a better buy.

Electric dryers are priced up to \$40 less than comparable gas models. This savings can represent about three years of cost-free drying under average family use.

The electric dryer surrounds your wash with gentle radiant heat, so your clothes are always soft and wrinkle-free. The economy and space-saving convenience of electric dryers enable you to give your family a sunshine-free wash, day or night, in any season. Put a little more sunshine in your life—the new, radiant electric dryer.

Let's not forget the Wig Show to be held at the Methodist Church on Main Street. Beautiful wigs, attractive models, professional demonstrators. Refreshments and fun for everyone. Donation \$1.50. Come to Publicity Committee's money-making project.

On Recorder Vivian Clark's recent vacation to Florida, she visited with friends and former co-workers, Collegian Gert Gori and Star Recorder Rose Roth. We miss our old friends. We're glad to have Vivian back.

Thursday, March 5

Moosehaven Committee. In charge of chapter program. The entertainment the committee provided was an exchange student from Thailand. Trachja Rockchartchareon. He showed slides of his homeland and sang a Thailand song. Antioch Moose women enjoyed the display that was shown. Mr. Rockchartchareon built a small duplicate of a Thailand home, from material found in our country. Moose women hope that Trachja Rockchartchareon benefits from our exchange program as we benefited from his informative talk about Thailand.

After chapter program, co-workers Rosentary Smith and Louise Doll received chapter pins for attending three consecutive meetings.

All this for a donation of \$1.50.

Applicants Sought To Take Census

The U. S. Bureau of the Census needs local people to work on the 1970 Census of Population and Housing in this area. It was announced today by Harold H. Hertzberg, District Manager of the census.

The jobs to be filled will be as census takers who will call upon households that have not mailed back their census forms or who have mailed back incomplete ones. Generally, they will work near their own neighborhoods.

Jobs will last from three to five weeks in April and May. Some work will be done evenings and on Saturdays as some people are at home only during those times.

Applicants must be American citizens, 18 or older, and must pass a written test to show ability to follow printed instructions and do simple arithmetic. They must also be in good physical condition for walking, standing and climbing stairs. Most should have a home telephone, and for some a car will be necessary. Mileage will be paid for use of a car on official census business.

Pay will be on a piece rate, designed to average about \$2.00 per hour, nationally. In addition, a fee will be paid for training if a work assignment is accepted.

The District Manager is urging housewives, especially, to apply. He says past experience has shown the Census Bureau that they are careful, conscientious workers, and unlike most men, who have regular employment, they can take on short-term jobs.

And he adds that most housewives welcome the chance to earn some extra money.

The Census Bureau is an equal opportunity employer.

Interested persons should apply at the District Office, 108 S. Genesee Street, Waukegan.

Testing in Antioch will be done at 2 p.m., Friday, March 13, in the Village Hall.

Be patient with the shortcomings of others but impatient with your own.

For fun and refreshments and a real informative show. Attend Publicity Committees Wig Show. Thursday March 12

Blithe Spirit Crew Rallies To Perform

Last week's production of Blithe Spirit by PM&L seems to have been voo-dooded by the spirit world, but cast and crew have rallied and promise a delightful performance this coming weekend and throughout the following weekends in March.

A somewhat different cast is on schedule for 8:30 p.m. curtain time than has been previously announced. Barbara Cadwell will play the role of Ruth Condomine and Anne Ramsay will play the maid, Edna.

Other cast members are Don Beveroth as Charles Condomine, George Anne Fillman as Elvira (the Blithe Spirit), Betty Beveroth as Madame Arcati, Tom Riggs as Bradman, and Marian Shultz as Mrs. Bradman.

General admission and dinner theatre tickets are available by calling 395-3000.

Circle Meeting Set Thursday

The Wesley Evening Circle of the United Methodist Church of Antioch will meet Thursday evening, March 12 at 8:00 p.m. at the home of Mrs. Harold Knutsen, Lakeview Terrace, Antioch. Mrs. Robert Bemis will serve as co-hostess.

Guest of honor and speaker for the evening will be Jeed Rockchartchareon, Antioch Community High School's Foreign Exchange Student from Thailand. Jeed will show slides of Thailand and will exhibit items from his country including a model house that he made especially for his American mother, Mrs. M. Toepfer. He will have a question and answer period after his talk.

The Veterans Administration during 1969 administered government insurance programs totaling more than 5.6 million policies with coverage valued at more than \$38 billion.

municipalities impose user fees on industrial users sufficient to meet the cost of treating industrial waste.

A most significant provision of the proposed legislation in the area of water pollution would allow the courts to impose fines on polluters of up to \$10,000 per day for each violation of water quality standards, where the polluter fails to take remedial action.

Another of the package of bills introduced by Congressman McClory deals with the subject of air pollution. It toughens and extends procedures by which automobiles are tested for compliance with emission standards. Further, it authorizes the Secretary of Health, Education and welfare to regulate and impose standards for fuel composition and fuel additives.

Congressman McClory noted that more than half of the air pollution in our major cities is produced by motor vehicles, and he stated:

"We have made a start toward the control of emission levels, but we can and we must do better. But even beyond that action, we must begin to plan for the years when the sheer number of vehicles on the roads will overcome our ability to control pollution from the internal combustion engine. I therefore wholeheartedly approve, President Nixon's program to produce an unconventional, virtually pollution-free automobile within five years."

The two other bills introduced by Congressman McClory deal with the problems of solid waste and parks and public recreation. In the area of solid wastes, the McClory bill would provide incentive for reducing the volume of wastes by encouraging the re-use of everything, from old bottles to newspaper. Special attention would be given under the bill to the disposal of junk cars that presently litter the sides of streets and highways.

Congressman McClory, convinced that greater attention must be given to the needs of the environment, applauded President Nixon's first steps in that direction. He noted, however, in the words of President Nixon:

"The task of cleaning up our environment calls for a total mobilization by all of us. . . . It cannot be a matter of simply sitting back and blaming someone else. . . . This task is ours together. It summons our energy, our ingenuity and our conscience in a cause as fundamental as life itself."

Japanese Woman Persistent Caller

United States phone users may be the gabbiest, but a Japanese lady might qualify for the individual championship.

The lady, a fading 42, wasn't about to let a fish off her hook too easily. When she was jilted in favor of another girl, she proceeded to hit back at her recalcitrant Romeo.

She called her former boy friend's house 10,000 times—420 times in a single day.

That averages a call every minute for seven straight hours. No sake break. No meals.

A few more like that and Japan could easily forge into first place in the telephone talkathon stakes.

The local police, however, were not that anxious for the honor. They locked the marathon caller up for "attempted intimidation."

FUNERAL NOTICES

DR. HALLEY A. SMITH

Dr. Halley A. Smith, M.D., 81 years old of Winter, Wis., passed away Monday, March 9, at 4:20 a.m. in Downey Veterans Administration Hospital in North Chicago from a heart ailment.

He was born March 22, 1888 in Antioch the son of the late Charles and Addie Smith, who were pioneer Antioch residents. He resided in Antioch until entering the U. S. Army as a Lieutenant in the 33rd Infantry during World War I. He moved to Winter, Wis., in 1919 where he practiced as a physician until his retirement in 1960.

He married Barbara Cochran in 1964 at Key West, Florida. He was preceded in death by his first wife, Grace (nee Bishop) Smith and one brother, Howard Smith.

Survivors are his wife Barbara, one son, Charles B. Smith, of Antioch, one brother, Russell Smith, of Antioch, five grandchildren and one great grandchild.

Funeral services will be held today (Thursday) at 2 p.m. at the Presbyterian Church at Winter. Interment will be in the Winter Cemetery. Friends called at the Presbyterian Church after 4 p.m. Wednesday until the time of services. Strang Funeral Home of Antioch was in charge of the services.

A Way Out...

(Continued from page one)

course. And, young people today do not have the escapeist opportunity their counterparts had a hundred or more years ago. Then, if a young man became disenchanted or restless, he could simply mount a horse and ride west into an unlimited, unrestricted frontier. He could, significantly, grow hair as long as he liked—on his head or face—and who cared?

Today, youth feels unduly confined—right or wrong—within the wilderness around them. It effects them more than it does their elders.

There is another course: overthrow and start over. But this would only lead to anarchy and totalitarianism. Problems would only become bigger, more vicious and more oppressing.

Let's step back a moment and take a hard, clear look. Let's not forget the good lessons of history.

It will not work just to look back at glorious old times. It is necessary to review the glorious and the unglorious. It is necessary to extract the reasons why things were good—and why they were bad. Then history lessons become worth re-applying.

Two times in American history presented the most critical problems. One was the founding of this country. The other was the threatened rending of it during the War Between the States.

The founding of America goes back, not only to the Revolution, but also to the establishment of Democracy in the New World during the 1600's.

The Massachusetts Bay Colonists and the Pilgrims started democratic government on the right course by placing it close to the people. They instituted "town" government, with citizens taking an active, responsible part in the control of their local affairs. This form of government culminated cohesiveness, pride and progress—with ideas and action that constantly moved things forward.

The Declaration of Independence and the United States Constitution encouraged and stimulated progress—stemming from rights given the individual.

During the 1860's, when the question of all men's freedom became the embattled issue, President Lincoln proclaimed: "Government of the people, for the people and by the people shall not perish from this earth."

The people must know where they stand. Where they are going. They must be in on the action. They must be part of their government.

During the Civil War, the people played an unfortunate role—on the battlefields.

This could happen again during the "revolution of the 1970's."

There is an alternative: Preserve, unflinchingly, the closeness of government to the people. Make them part of it. Do this in every hamlet, village and town. Do this in big cities, where it is desperately needed.

The model may very well be the concept of township government which the founders of America conceived more than 300 years ago. This is government "of the people, for the people and by the people." It is well suited to the mode of present-day America.

Whether it be township or any other form of local government, never let that close-to-the-people form of government weaken, diminish or perish.

With strong, local self-motivated effort and action by the people, many problems of today can be solved.

Let the people employ their minds, their wills, their skills and their ambitions to help conquer the threatening wilderness.

Legion Auxiliary

By DEL JAHNEKE

Mrs. Walter Hills, Americanism Chairman of the Antioch American Legion Auxiliary No. 748, announces the names of the winners of the Illinois American Legion and Auxiliary's Americanism essay contest. This year, there were three grade schools whose students participated in the contest. There were no entries from the Antioch Community High School. Over 200 essays were entered from the Antioch Community High School. Over 200 essays were entered from the Antioch Consolidated Grade School, Oakland School and the St. Peter's Catholic Grade School. The winners were first, Mary Palaske, St. Peter's Catholic Grade School; 2nd Ken Kane, Oakland School; and 3rd, Frances Colette, St. Peter's School; Honorable Mention, Kathy Scott, Oakland School. The winners, and their parents, are asked to be present at the April 13th meeting of the Antioch Auxiliary, when they will read their essays, and then receive cash awards from the Unit.

Judges were Mrs. Joseph Horton, an Auxiliary member; Robert LaBelle, teacher at Channel Lake Grade School; and Joseph Comstock, an Oakland Grade School teacher. The title and subject matter was "What's Right With America?"

There will be a Board Meeting of the 10th District American Legion Auxiliary on March 23rd, at 8:00 p.m., at the "Libertyville American Legion Home." The regular meeting of the 10th District Auxiliary will be held on April 8th, at 8:00 p.m., at the Highland Park American Legion Home.

Mrs. John Mould, Wauconda, District President, will conduct both meetings. Auxiliary members are invited to the Birthday Party Meeting of the 10th District American Legion, to be held at the Lake Zurich American Legion Home, on March 20th, at 8:00 p.m. District Commander Clarence Warnecke of Waukegan will be the presiding officer. The American Legion celebrates its 51st anniversary this March.

For a complete change of scene, Mrs. Harold Blackwell, Lake Zurich, District Foreign Relations Chairman, 10th District Auxiliary, asks: "Have you ever been to Nicaragua?" It is hoped that by the end of this American Legion Auxiliary year, the members will have read, heard and learned so much about the largest republic in Central America, that they will happily provide the 60 additional classrooms so badly needed. The American Legion Auxiliary, nationwide, has the goal of monetarily aiding in the construction of these classrooms, which will enable 2,700 children to enter school when they are completed.

"All units are asked to contribute to CARE - MEDICO, earmarked 'Nicaragua.' Color slides are available on the Auxiliary's project in Nicaragua, entitled 'Opening New Worlds', which includes a narrative script."

Mrs. Blackwell urges both senior and junior members to enter some of the Foreign Relations contests. The essay contest is titled "I Dream I Visited Nicaragua" and is to be an imaginary trip there in diary form. In this diary, all sorts of fascinating material pertaining to the people, culture, history, government, geography, language and education can be woven.

The Foreign Relations Scrapbook, named "A Nation and Its People" is another contest, which can include pictures, sketches, clippings, and any other miscellaneous information pertinent to the subject.

There is also a Foreign Relations Doll Dressing Contest, open only to the junior members in three age categories. Dolls must be dressed in authentic native style.

Mrs. Joseph Horton is the Antioch unit foreign relations chairman, and will be presenting a program on Nicaragua in the near future.

"THERE IS GOD" Wednesday, March 11th, 8 p.m., the Women's Guild of St. Stephen Lutheran Church, The Church on The Hill, Rte. 59 and Hillside Ave., will sponsor a film as part of the Lenten Series held each week at the Church.

In order to make this a truly helpful experience, there will be a discussion of the film, led by

Garden Club Members To Meet March 20

Members of the Antioch Garden Club please note that the next meeting has been changed to Friday, March 20.

The Garden Club of Illinois Garden Center, in Sears, Golf Mill, Niles, Illinois, invited the Antioch Garden Club to a series of programs—one a month.

At the last business meeting the group decided to attend the presentation of Advanced Flower Arranging by Mrs. Robert Stoffels. Members in need of transportation please call President Mrs. Clarence Spiering, 395-0587, and make arrangements to leave in time to arrive at the Garden Center program before 10:00 a.m., located in the Golf Mill movie theater.

After the program, the Club members will meet in the lobby and proceed from there to the luncheon.

From the members of the Antioch Garden Club go ORCHIDS to their Program Chairman Mrs. James Shimkus and co-chair Mrs. John Preston for working so hard to ensure the Club members of many afternoons of cheerful entertainment and chasing away the winter blues with their excellent programs.

Lindenhurst News

Mrs. Bernice Beernau 356-5649

GIRL SCOUT NEWS The five Girl Scout troops sponsored by the Lindenhurst Women's Club, Brownie Troop 60, headed by Mrs. Joy Manuel and Mrs. Edie Dunn, Mrs. Donna Neubauer's Brownie Troop 107, Mrs. Hedy Nauer's Brownie Troop 126, and Mrs. Dolores Povallitis' Junior Girl Scout Troop 161 and Mrs. Bunny Kurzin's Junior Girl Scout Troop 269, assisted by Mrs. Priest, held a Mexican Thinking Day celebration recently at the Lindenhurst Civic Center.

The girls were shown a map of Mexico and Guadalajara, where the Pantoja sisters are from. Mrs. Manuel showed them a drawing of a guila, the Mexican Girl Scout pin. A delicious dinner of tamales, tacos, arroz (rice) and pollo (chicken) was served. Everyone enjoyed the hot tasting foods. Guadalupe cookies (butter cookies with anise seed and cinnamon).

The Mexican Thinking day celebration closed with the girls singing Taps. It was a day that they thought about other countries and rededicated themselves to scouting.

Girl Scout week started March 9. The concept of service to others is basic to scouting, and girls are encouraged to develop skills to serve the church, the community as well as themselves and their families.

CUB SCOUT NEWS Cub Scout Troop 84 held their Advancement Night Feb. 26 at the Lindenhurst Civic Center.

Den mothers are urgently needed. Or perhaps a father would enjoy being a Den father. The men who are Den fathers now, enjoy what they are doing, and will continue, but in order to enlarge the pack, they need more assistance. There are many boys in Lindenhurst and Seven Hills waiting to join the Scouts. Are you interested? If so, give anyone of the men now helping the Scouts a call. They will be more than willing to give you any information you may want.

BIRTHDAYS

Pat's birthday is Feb. 29. Feb. 28 was my mother's and my birthday.

ANNIVERSARIES Congratulations to Ray and Dorothy White on their 14th wedding anniversary Feb. 25. Also, William and Linnea Sershon on their third wedding anniversary March 4. March 2 is the anniversary of Denver and Mary Shore.

Pastor Philip O. Laurin, following the refreshment period provided a the end of each Lenten Service. Mrs. F. Gibson, Mrs. J. Woods, Mrs. M. Erickson and Mrs. R. Renfre are hostesses for the evening. Members and friends are invited to participate in worship at three Lenten Services as well as the regular Sunday worship at 9:30 a.m.

Social Notes

By Del Jahneke

The Don Schmoor's family of Dolton spent last Thursday at the Ray Rathmann home in Oakwood Knolls. On Sunday, the Rathmann's visited Mrs. Edith Wenthe of Chicago, at her home. Mrs. Wenthe and Mrs. Schmoor are Mrs. Rathmann's mother and sister, respectively.

A committee meeting was held at the Antioch Evangelical Free Church on Thursday, March 5th, regarding their annual Mother and Daughter Banquet. The tentative date for this dinner is May 2nd. Mrs. Bernard Fossmark is chairman.

Sorry to report that Mrs. Anton Johnson is still confined at the Victory Memorial Hospital, and is undergoing treatment. You are wished a speedy recovery!

The Tom Rizzo's of Lake Zurich entertained the senior Ed Jahneke's, Beach Grove, last Saturday evening.

Heartiest congratulations to Mr. and Mrs. Harold Ellis, who quietly celebrated their Golden Wedding Anniversary on March 3rd!

Mr. and Mrs. Irvin Sorensen, Lake Catherine, celebrated their Golden Wedding Anniversary on March 7th, at the Antioch Evangelical Free Church. Their two daughters, Mrs. Dorothy Seaman of Forest Park, and Mrs. Alex Hilgenberg of Bellwood, members and friends from the Antioch Evangelical Free Church, planned this party for them.

The Sorensens "exchanged their vows" again, on this, the exact date on which they were married. They were wed on March 7, 1920 in Chicago, and moved to Antioch in 1935. Over one hundred relatives and friends were present on this happy 50th anniversary occasion.

PTA To Hear Unit School Discussion

The Lake Villa PTA will present a program on the subject of Unit School Districts at its March 16 meeting. Richard Warfield, Superintendent of the unit district at Wauconda will be the featured speaker.

Although the Lake Villa School Board has not taken a position on the unit question as yet, its members have been studying the matter for some time. The board has ordered two studies on the subject and expects to make its position known at a later date. The PTA feels that an informative program on the problems and advantages of the unit type district will be of value, especially at this time when such districts are the subject of debate in other Lake County communities.

Warfield's talk will be followed by a question period and social hour. Refreshments will be served.

The meeting will begin at 8:00 p.m. and will be held at Lake Villa's new Intermediate School on McKinley Avenue just south of Grand Avenue in Lake Villa. The general public is invited to attend.

Homemakers Install New Officers

The Lake Region Extension Homemakers held their monthly meeting and installation of new officers recently, at the home of Mrs. Ester Hamlin.

Installing officer was the outgoing President, Mrs. Mary Wells. She installed Mrs. Phyllis Drijle President; Secretary, Mrs. Shirley Gutowski, and Mrs. Barbara Miller, Treasurer. The first and second vice Presidents were absent, and will be sworn in at a later date.

"Yeast Breads the Modern Way" The major lesson was presented by Barbara Miller. She showed a variety of breads and rolls which she had prepared with yeast. Everyone got to sample the results.

Homemakers Extension is part of a State wide program, and is sponsored by the University of Illinois. There are 22 such groups in Lake County, alone.

The next meeting of the Lake Region unit will be held March 18th at 8 p.m. We cordially invite anyone who would be interested to call Mrs. Barbara Miller, 395-1197 for further information and directions to the meeting place. We welcome new prospective members.

Twins Club Meeting Set For March 17

The Lake County Mothers of Twins Club will hold their monthly meeting at 8:00, March 19 at the YMCA, 445 N. Genesee St.

After a short business meeting Chief Tom Stewart from Glenview Naval Air Station will show a film entitled "A Trip to Where". Chief Stewart will hold a question and answer period on drugs after the film.

Because of the public interest on drugs today we are having a husband and guest night.

Mothers and Fathers of Multiple-birth children are invited to attend.

Hostesses for the evening will be, Mrs. Ray O'Byrne, Highland Park, Mrs. Kenneth Mattson, Antioch, Mrs. Cecil Floyd, Winthrop Harbor.

Lakeside Rebekah Lodge No.82

By DEL JAHNEKE

Noble Grand Mrs. John Hagen, Mrs. Ralph Fields, Mrs. Charles Ferris, Mrs. Clarence Larsen and Mrs. Walter Buchert from Antioch's Lakeside Rebekah Lodge attended "Friend's Night", held at the Libertyville Masonic Hall by the Libertyville Rebekah Lodge, on March 5th.

Many Rebekah members in District No. Three shared in a "Card Shower" for Mr. and Mrs. Harold E. Ellis when they celebrated their 50th wedding anniversary on March 3rd.

The Noble Grand Mrs. Hagen announces that all Rebekah members who are taking part in the initiatory work for the District No. Three Meeting, to be held on April 6th, at Crystal Lake; will hold a practice session on March 18th, at 8:00 p.m., at the Antioch American Legion Home.

Grass Lake PTA Meets March 16

The Grass Lake School PTA will hold their March meeting on Monday evening March 16 at 8 p.m. in the school gymnasium.

Dan Dugenske, of the Antioch Rescue Squad will be the guest speaker.

The Nominating Committee will give their report and refreshments will be served following the meeting in the school cafeteria.

The April meeting of the PTA is slated for April 20th and plans include a Pot Luck Dinner at 8:30 p.m. election of officers and a display of Arts and Crafts by members and friends of the PTA.

Nurses Set Sunday Tea

The 16th District of the Illinois Nurses' Association will open Illinois Nurses' Week in their district with a tea Sunday, March 15 from 2 to 5 p.m. The tea will be held at Victory Memorial Hospital in Waukegan.

The theme will be: "A Welcome to the New." The 16th District has happily and proudly welcomed the students of Nursing of the College of Lake County.

These are our future R.N.'s and Illinois Nurses' Week is the most opportune time for the other nurses of the 16th District to meet our future nurses.

All nurses in the 16th District are cordially invited to attend the tea; renew acquaintances, meet other nurses in the District, meet the students and help us get Illinois Nurses' Week off to a good start.

Moose Legion Will Meet On March 15

The Antioch Moose No. 525 Legion will have their Legion of the Moose get-together on March 15 at 4 p.m. at the Antioch Moose Home.

A short meeting will be held, with a pot luck to follow. Remember the date, Sunday after noon at the Antioch Moose Lodge. There will be a corn beef and cabbage dinner on March 21 from 5 to 8:30 p.m. at the Antioch Moose Lodge. All members are invited to attend.

Chaplain—Robert Bywell
Surgeon—Earl Hayes
Three Year Trustee—Michael Ganger

Two Year Trustee—James Osborne

The appointive officers will be announced by Commander Horton at the regular meeting April 13. James Osborne, who transferred from the North Chicago Post to the local post, was warmly welcomed by all members present.

CHRISTIAN SCIENCE CHURCHES

The Lesson-Sermon read in all Christian Science churches this Sunday is on "Substance," which Mary Baker Eddy defines in "Science and Health with Key to the Scriptures" as follows: "Substance is that which is eternal and incapable of discord and decay." (p. 468)

One of the Bible verses in the Lesson-Sermon is from Matthew: "No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon."

Readings from "Science and Health" include the following from the Christian Science textbook: "Absorbed in material selfhood we discern and reflect but faintly the substance of Life or Mind. The denial of material selfhood aids the discernment of man's spiritual and eternal individuality, and destroys the erroneous knowledge gained from matter or through what are termed the material senses." (p. 91)

The public is welcome to attend services at 11 A.M. at First Church of Christ, Scientist, BEACON HILL, Rte. 173 & Harden, Antioch, Ill.

It's a genuine pleasure to give advice when that's all a man wants.

40 reasons why the electric dryer stacks up as a better buy.

Electric dryers are priced up to \$40 less than comparable gas models. This savings can represent about three years of cost-free drying under average family use.

The electric dryer surrounds your wash with gentle radiant heat, so your clothes are always soft and wrinkle-free. The economy and space-saving convenience of electric dryers enable you to give your family a sunshine-free wash, day or night, in any season. Put a little more sunshine in your life—the new, radiant electric dryer.

Japanese Woman Persistent Caller

United States phone users may
be the gabbies, but a Japanese
lady might qualify for the indi-
vidual championship.
The lady, a fading 42, wasn't
about to let a fish off her hook
too easily. When she was filled
in favor of another girl, she pro-
ceeded to hit back at her recal-
citrant Romeo.
She called her former boy
friend's house 10,000 times—420
times in a single day.
That averages a call every min-
ute for seven straight hours. No
sake break. No meals.
A fem more like that and Japan
could easily forge into first place
in the telephone talkathon stakes.
The local police, however, were
not that anxious for the honor.
They locked the marathon caller
up for "attempted intimidation."

RUSSELL W. NICKERSON

Russell W. Nickerson, 55 years
old of Grand Ave., Lake Villa, Ill.,
passed away suddenly from a
heart attack at 7:30 p.m. on Mon-
day, March 9, in Clearwater, Fla.
He was born April 21, 1914 in
Chicago, and moved to Lake
Villa in 1920. He had worked for
Johns-Manville Products corpora-
tion in Waukegan for 34 years as
an Estimator and Planner. He
was a member of the Johns-Man-
ville Quarter Century Club, mem-
ber of Industrial Management
Club of Waukegan, had served on
the Lake Villa Zoning and Plan-
ning Board, Member of Lake
Villa Community Methodist
Church and had served as treas-
urer on the board of trustees of
that church. He retired after 29
years on the Lake Villa Fire De-
partment; is a past commander
of Lake Villa V.F.W. Post 4308,
served on various committees of
the Boy Scouts, was a past presi-
dent of Lake Villa P.T.A.; Past
treasurer of Antioch High School
Band Parents Association; past
member of Lake Villa Grade
School Board.
He married Zelma E. Turpin on
Nov. 13, 1933 at Elizabeth, Ill.
He was preceded in death by a
sister, Mrs. Helen Hanson.
Survivors are his wife, Zelma;

municipalities impose user fees on industrial users sufficient to meet the cost of treating industrial waste.

A most significant provision of
the proposed legislation in the
area of water pollution would al-
low the courts to impose fines on
polluters of up to \$10,000 per day
for each violation of water qual-
ity standards, where the polluter
fails to take remedial action.
Another of the package of bills
introduced by Congressman Mc-
Clory deals with the subject of air
pollution. It toughens and ex-
tends procedures by which
automobiles are tested for com-
pliance with emission standards.
Further, it authorizes the Secre-
tary of Health, Education and
welfare to regulate and impose
standards for fuel composition
and fuel additives.
Congressman McClory noted
that more than half of the air
pollution in our major cities is
produced by motor vehicles, and
he stated:
"We have made a start toward
the control of emission levels, but
we can and we must do better.
But even beyond that action, we
must begin to plan for the years
when the sheer number of vehi-
cles on the roads will overcome
our ability to control pollution
from the internal combustion en-
gine. I therefore wholeheartedly
approve, President Nixon's pro-
gram to produce an unconventional-
ly powered, virtually pollution-
free automobile within five
years."

The two other bills introduced by Congressman McClory deal with the problems of solid waste and parks and public recreation.

In the area of solid wastes, the
McClory bill would provide incen-
tives for reducing the volume of
wastes by encouraging the re-use
of everything, from old bottles to
newsprint. Special attention would
be given under the bill to the dis-
posal of junk cars that presently
litter the sides of streets and
highways.
Congressman McClory, con-
vinced that greater attention must
be given to the needs of the en-
vironment, applauded President
Nixon's firm steps in that direc-
tion. He noted, however, in the
words of President Nixon:
"The task of cleaning up our
environment calls for a total
mobilization by all of us. . . . It
cannot be a matter of simply sit-
ting back and blaming someone
else. . . . This task is ours together.
It summons our energy, our inge-
nuity and our conscience in a
cause as fundamental as life it-
self."

tection against flying debris. Other-

direct the occupants to them.
IN HOMES WITH BASEMENTS—
Seek refuge near the basement
wall in the most sheltered and
deepest below ground part of the
basement. Additional protection
is afforded by taking cover under
heavy furniture or a workbench.
Other basement possibilities are
the smallest room with stout
walls, or under a stairway.
A storm cellar, or a reinforced
portion of the basement can be
planned and constructed; or the
safest portion of the basement
can be selected and the family
drilled to use it.
IN HOMES WITHOUT BASE-
MENTS—Take cover in the
smallest room with stout walls,
or under heavy furniture, or a
tipped-over upholstered couch
or chair in the center part of the
house. The first floor is safer than
the second (or third). If there is
time, open windows partly on the
side away from the direction of
the storm's path But Stay Away
From Windows When The Storm
Strikes.
Construction of a storm cellar
is particularly advisable for
homes without basements. An al-
ternative is pre-season selection
of a nearby culvert or deep ditch.
MOBILE HOMES—They are
particularly vulnerable to over-
turning and destruction during
strong winds, and should be aban-
doned in favor of a preselected
shelter, or even a ditch in the
open.
If permission can be obtained to
use a nearby basement, a well
constructed utility building, or
other nearby shelter, mobile
home park occupants should se-
lect a leader responsible for en-
suring constant radio monitoring
and supplemental storm spotting,
and for sounding the alarm if a
storm approaches.
FACTORIES, AUDITORIUMS
And Other Large Buildings—
With wide, free-span roofs, should
have preselected, marked shelter
areas in their basements, smaller
rooms or nearby. Shelter areas
should be selected and marked,
and building employees should be
trained to direct occupants to
them. Supplemental spotters
should watch for storms and give
warning drills should be held be-
fore and during season.

Blithe Spirit Crew Rallies To Perform

Last week's production of Blithe
Spirit by PM&L seems to have
been voo-dooed by the spirit
world, but cast and crew have
rallied and promise a delightful
performance this coming weekend
and throughout the following
weekends in March.

A somewhat different cast, is
on schedule for 8:30 p.m. curtain
time than has been previously an-
nounced. Barbara Cadwell will
play the role of Ruth Condomine
and Anne Ramsey will play the
maid, Edna.

Other cast members are Don
Beveroth as Charles Condomine,
George Anne Fillman as Elvira
(the Blithe Spirit), Betty Bever-
oth as Madame Arcati, Tom Riggs
as Dr. Bradman, and Marian
Shultz as Mrs. Bradman.

General admission and dinner
theatre tickets are available by
calling 395-3000.

Circle Meeting Set Thursday

The Wesley Evening Circle of
the United Methodist Church of
Antioch will meet Thursday eve-
ning, March 12 at 8:00 p.m. at
the home of Mrs. Harold Knutsen,
Lakeview Terrace, Antioch. Mrs.
Robert Bemis will serve as co-
hostess.

Guest of honor and speaker for
the evening will be Jeod Rok-
chartchareon, Antioch Commu-
nity High School's Foreign Ex-
change Student from Thailand.
Jeod will show slides of Thailand
and will exhibit items from his
country including a model house
that he made especially for his
American mother, Mrs. M. Toep-
fer. He will have a question and
answer period after his talk.

The Veterans Administration
during 1969 administered govern-
ment insurance programs totaling
more than 5.6 million policies,
with coverage valued at more
than \$38 billion.

Applicants Sought To Take Census

The U. S. Bureau of the Census
needs local people to work on
the 1970 Census of Population and
Housing in this area. It was an-
nounced today by Harold H.
Hertzberg, District Manager of
the census.

The jobs to be filled will be as
census takers, who will call upon
households that have not mailed
back their census forms or who
have mailed back incomplete
ones. Generally, they will work
near their own neighborhoods.

Jobs will last from three to
five weeks in April and May.
Some work will be done evenings
and on Saturdays as some people
are at home only during those
times.

Applicants must be American
citizens, 18 or older, and must
pass a written test to show ability
to follow printed instructions and
do simple arithmetic. They must
also be in good physical condition
for walking, standing, and climb-
ing stairs. Most should have a
home telephone, and for some a
car will be necessary. Mileage
will be paid for use of a car on
official census business.

Pay will be on a piece rate, de-
signed to average about \$2.00 per
hour nationally. In addition, a
fee will be paid for training if a
work assignment is accepted.

The District Manager is urging
housewives, especially, to apply.
He says past experience has
shown the Census Bureau that
they are careful, conscientious
workers, and unlike most men,
who have regular employment,
they can take on short-term jobs.
And he adds that most house-
wives welcome the chance to
earn some extra money.

The Census Bureau is an equal
opportunity employer.

Interested persons should ap-
ply at the District Office, 108 S.
Geneesee Street, Waukegan.

Testing in Antioch will be done
at 2 p.m., Friday, March 13, in
the Village Hall.

Sequoit Basketball 1969-70

Conference Co-Champs

Season Record 17-11

The 1969-70 basketball season appeared to be one of a building season.

Lost through graduation were seven of the top 10 players of last season, with only one regular returning.

The regular returning was Keith Bolton, 6' 6" junior, who had a very fine sophomore season. The varsity squad this season was composed of four seniors and eight juniors. The seniors were Jim Polley, Jim Weiss, Jeff Sterbenz and Wayne Simon; the juniors were Steve Bentel, Keith Bolton, Ray Braden, Tom Effenberger, Scott Johnson, B. Martin, Tom Martin, and Marty Romaine. From this group a winner was to be moulded, with a season record of 17 wins and 11 losses.

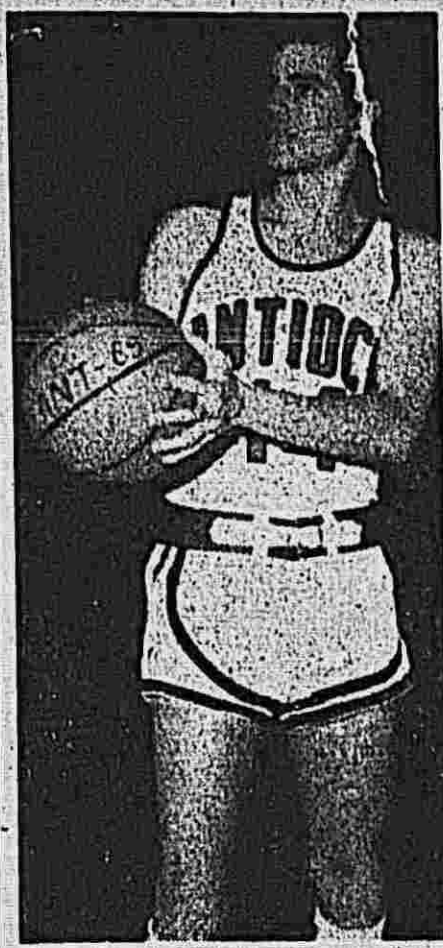

The seniors had been winners only as freshmen. As freshmen their record was 13-6, as sophomores 5-19, as juniors 13-13, and the juniors on the squad have been winners as freshmen, their record was 15-6, and as sophomores 15-9.

Before the season started, it appeared a 50-50 season would be good for this group, and that they would have to fight hard to stay in the 1st division in the conference. In the early pre-season ratings, the conference coaches picked the Sequoits for third, with a couple of coaches rating the Sequoits a fifth place finisher.

As the season started, the Sequoits lost their first four games, but gained valuable experience in the losses. Then as the conference season started, the Sequoits won a big game over Warren, only to lose to the title favorite Lake Forest.

The holiday tournament at Rockford proved to be the big turning point for the Sequoits. Losing their first game to a "hot" Elgin team, the young Sequoits recovered to win the next two games from Palatine Conant and Rockford Boylan, then lost to Barrington in the consolation championship game. During the tournament, the young Sequoits gained a lot of confidence and experience to give them momentum for conference play.

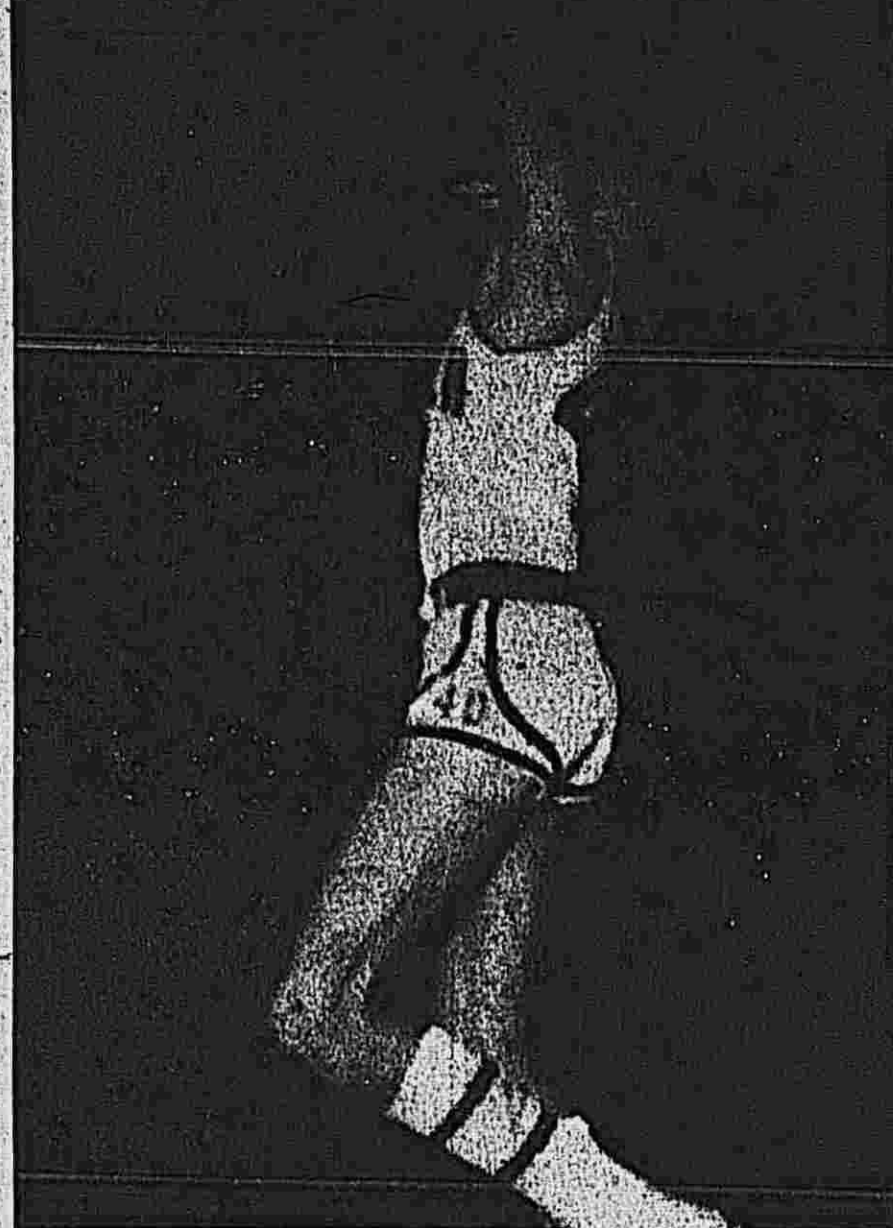

As play started in the conference

Antioch's Marty Romaine was named to the All-Conference team.

Jeff Sterbenz was elected Antioch team captain and named the most improved player on the squad.

Antioch's Keith Bolton was elected the most valuable player and named to the All Conference team.

once after the holidays, the Sequoits picked up three wins, only to lose to a great second half rally by Warren at Warren. After that loss, it looked bleak for the Sequoits, as Lake Forest had a two game lead. But the young team from Antioch, fought back to win their last six conference games, including a terrific overtime victory over Lake Forest. As the last conference game was being played, word came to the Sequoits that Lake Forest had been upset by Grant, thus the Sequoits earned a co-title with the Lake Forest Scouts.

During the state district tournament at Warren, the Sequoits just didn't play their best basketball. Antioch did beat Round Lake and Grayslake for the third time, but just couldn't beat Grant, as the Bulldogs won the district championship game 52-49.

When asked about the season, coach Andrews stated, "It was without a doubt, a great season. With all these young players and the play of senior Jeff Sterbenz, the team far exceeded our expectations. It was great for the

seniors, as this was their first winning season in their four years in high school. It is going to be hard to find someone to fill Jeff Sterbenz' shoes, but with four regulars' back we have a good nucleus for next year."

Two Antioch players, Keith Bolton and Marty Romaine were honored as "all-conference" players by the conference coaches.

The Antioch team voted for team honors on Tuesday with the honors going to Keith Bolton, the team most valuable player, Jeff Sterbenz was selected the team captain and the most improved player on the squad.

An all-tourney team was picked for the district tournament, with Keith Bolton and Steve Bentel being named to the first team and Marty Romaine a second team pick.

Varsity letter winners are sen-

iors Jim Polley, Jeff Sterbenz, Jim Weiss, juniors Steve Bentel, Keith Bolton, Tom Martin and Marty Romaine. The two managers John Schremsner and Steve Bonner also received their varsity awards.

THE ANTIOCH NEWS-8

Frosh Wrestlers Complete Season

The Antioch High School freshmen wrestling Sequoits completed the season with a record of 11 wins and 5 losses. After losing five of the first eight meets, the freshmen finished strong by winning the last eight meets of the season. Some of the highlights of the season included a 27-24 loss in the opening match against Mundelein. In that match, the Frosh thought they had a come-from-behind victory, only to find out a mistake in the score awarded the meet to Mundelein. Other scores included a 48-10 victory over Zion-Benton, a 33-18 loss to Warren, twin victories over Holy Cross, a 45-0 shutout of Grayslake, and a 39-5 victory over Lake Forest.

Leaders in individual statistics were:

Pins:	Al Weber, 9
Take Downs:	Al Weber, 14
Reversals:	George Marotta, 12
Escapes:	Tim Staples 10
	George Marotta 10

Predicaments: Randy Lipman 9
Near Falls: Randy Lipman, 8

Top Point Scorers:

Al Weber, 54
Randy Lipman, 52
Tim Staples, 51
Paul Hart, 50
Brad Fox, 45
Andy Feldmann, 39
George Marotta, 37

Summing up the season, freshman coach Steve Wagon stated: "This group of freshmen has the potential to be conference champs if they continue to improve and work. They made freshman mistakes early in the year, but showed a lot of improvement. Besides the team as a whole having potential, there are no less than five individuals in this group who could go as far in wrestling as their own individual ambition and desire to improve allow. Cited as doing an outstanding job were Keith Larsen, Randy Lipman, (undefeated Frosh), Paul Hart (10-4-1), Andy Feldmann (9-2-2), Al Weber (12-2), Tim Staples (11-3), and George Marotta (9-2). Members of the team who completed the season in good standing are listed below:

Gary Bobek, Roy Kiefer, Don Harmon, Keith Larsen, Scott Hoffmann, John Thain, Greg Grunow, Greg Hendrickson, Paul Hart, Mike Ament (Mgr.)

Leonard Benning, Andy Feldmann, Al Weber, George Marotta, Rich Sweatman, Terry Olson, Randy Lipman, Steve Petersen, Tim Staples, Ken Boucos, (Mgr.) Ed Olschlager, Brad Fox, Steve Gibson, David Buksas, Jim Weber, Rich Jordahl, Ron Geer, Bill Burdick, Pete Laurson, David Young.

Several freshmen had the opportunity to wrestle at upper levels. Keith Larsen did an exceptional job of wrestling both Sophomore and Varsity at 98 pound weight class. Other freshmen who wrestled some matches at the Sophomore level included:

John Thain, Don Harmon, Rich Sweatman, Randy Lipman, Terry Olson, Andy Feldmann, and Al Weber.

The following freshmen were voted honors by other members of the wrestling team: Team captain, Al Weber; Most valuable, Andy Feldmann, and most improved, George Marotta.

Spring Grove Falls Victim To Emmons

Wednesday, March 4, the Emmons Raiders won two basketball games at Spring Grove.

In the fifth and sixth grade game the Raiders defeated Spring Grove 31-25. Jon Bodin scored 13 points for Emmons and Ron Shebrant was high point man for Spring Grove with 17 points.

Emmons went on to win the seventh and eighth grade game 42-33. Travis Braden and Ron Sheedo were high scorers for Emmons with 9 points each. Kevin Fodey was high for Spring Grove with 10 points.

(Continued from page one) and women in fact the entire population — of Lake County and Northeastern Illinois.

Before I go further I should make one thing very clear. I am not saying that I accept the transfer of 5th army headquarters from Fort Sheridan, nor that I will accept any further cutback in operations or personnel at the fort. I am merely saying that, if the transfer or any cutback should in fact come about, we might still come up with a solution that will make the people of Lake County and Northeastern Illinois winners — not losers — in the end.

I have today wired Governor Ogilvie, Defense Sec. Laird, G.S.A. Administrator Kunzig, and HEW Sec. Finch, asking each to consider whether under Federal law, all or part of the land and facilities at Fort Sheridan might not be made available to Illinois at a public use and benefit discount of 100 percent for use as the campus of a proposed Lake County State College, or for recreational purpose, or for other public use. The land and buildings at the Fort belong to the people. To the extent the military is through using the Fort, it ought to be returned to the people. An appropriate first step would be the rededication of Fort Sheridan's Lake Shore to public recreation use.

Fort Sheridan is a well developed site, with buildings and facilities that would make its conversion to a college campus relatively easy. Its location on the lake and ready access to auto and other transportation also make it a desirable site for public recreation use.

Today I am also inviting my Illinois colleagues in the U.S. House and Senate to meet with me as soon as possible to explore potential public use and benefit dedication for all or any of the other affected Illinois installations.

Smith commended Congressman Harold R. Collier of Western Springs for his discussions with the Department of the Navy to try and protect the facilities and jobs at the Forest Park Naval Ordnance Plant.

"Rep. Collier and I will be working together to see that if that facility is deactivated by the Navy, it will be put to use to benefit the workers and the community."

Sled Dogs Featured At Show

The International debut of one of the Midwest's fastest growing winter sports will be in early spring. Just how strong and swift Northern sled dogs actually are will be proved in daily exhibitions at the International Kennel Club Show, April 4 and 5, at Chicago's International Amphitheatre.

Added to show competition among 114 AKC breeds, obedience trials, field trials and junior dog judging, the Midwest Sled Dog Club will compete with Siberian Huskies, Alaskan Malamutes, Samoyeds, Eskimo and Indian Dogs, and Alaskan Huskies in sled races, weight pulling contests and Skijoring—dogs pulling the driver on skis.

These Northern breeds have an ancient history. It is believed that the ancestors of these modern racers first entered this continent in the great migrations from Siberia over the natural land bridge that once connected Siberia and Alaska. The history of Alaska was shaped with these sled dogs as an integral part—Sled dogs once carried diphtheria serum 650 miles in a blizzard to save the early citizens of Nome from an epidemic in 1925.

Modern Class "A" races are run over 20 mile courses for three days with total time declaring the winner. In class "A" races, six to 12 dogs constitute a team pulling an eight foot sled at an average speed of 16 miles per hour over a 60 mile course.

Sled dog racing has been modified for the International competition. Competition will be over a quarter mile nylon carpeted course in children, novice and professional classes. Competition will also be in weight pulling contest—the best pull in the Midwest Club this year is 905 pounds by one dog. The record is over 1,500 pounds.

Competition will be just as though it were set in the winter of Alaska. Over 60 Huskies, Samoyeds and Malamutes and dogs will be staked out in the race area. Races and contests will be held both days of the International. The weight pulling con-

Rule Book Out For Dragaway

The 1970 Rule books pertaining to all divisions of drag racing are now available at the Great Lakes Dragway Milwaukee Office, 3811 W. Center St.

The rule book is published by the "National Hot Rod Association," a rule supplement of the "National Association of Dragstrips" is also available. Although the Great Lakes at Union Grove is sanctioned by the National Association of Dragstrip rules also complete there, but in a separate division.

The rules cover cars from the Amateur "pure stock" classes to the professional "nitro fuel dragster and funny car" divisions. Motorcycles are also included.

The Great Lakes Dragway will open the 1970 season the first nice weekend this month starting from this weekend, March 14th and 15th on. Grudge racing will be held every Saturday night from 6 to 11 p.m.

Complete race program with both trophies and cash awards will be held every Sunday starting at 2 p.m. Time trials begin at 9 a.m. Sunday. The cost for grudge racing will be \$1.00 for the entire 5 hours on Saturday. This includes car, driver and pit fee. Spectators are welcome in the pits both Saturday and Sunday. There is no additional charge for the pit pass on Saturday.

Fathers Win Out In Basketball

The Father-Son game held last Sunday at St. Peter's Social center was an exciting day with the fathers beating the sons, 62 to 52.

Of course they could not have done it without the able help of the Coaches (who have a little more basketball experience than the dads!)

The dads team was comprised of: Dr. E. Aberholden, Dr. E. Warner, Fred Walpole, Gus Cost-off, Chief Jack Davis, Dick Kessler, Bernie Gutowski, Chuck Schuth, Coaches Don Pyles and John Hedberg.

The men were also lucky to have some "Able-bodied" cheerleaders, the mothers who cheered were: Gori Shostak, Marge Warner, Betty Davis, Ellen Kessler, and Shirley Gutowski. It was a toss-up of who had the most fun, Mothers, Fathers, or Sons!

Boat Show In Full Swing Now

Boating enthusiasts, whether sailors or power-boaters, are co-operating in a drive to prevent pollution in Lake Michigan. They are apprehensive that the big lake flanking Chicago and other coastal cities might suffer the same fate already afflicting Lake Erie.

Lake Erie has been described by environmentalists as "dead"—so choked with algae that it might never come back.

Already parts of Lake Michigan are beginning to show signs of the same possibly fatal disease, and boatmen are worried, since they have even more to lose by a dead Lake Michigan than do most citizens of the Midwest.

Ed Poloway, President of the Central Marine Chamber of Commerce and also president of the huge Midwest Boat Show which opened at Arlington Park Exhibition Center, March 6 to run through March 15, told how boatmen are fighting pollution in Lake Michigan:

"Most, if not all, of the big boats which will be on display at the Midwest Boat Show will have retaining tanks so that they do not pump sewage and other waste into the lake," Mr. Poloway said, adding: "Chicago, the biggest city on Lake Michigan, long ago stopped pumping sewage into the lake, by processing it at the world's largest treatment plant. Not all the cities along the lake have been this thoughtful, and some still pump raw sewage into Lake Michigan. Boatmen are almost universally opposed to this. He said that boatmen are becoming increasingly aware of their own duties and obligations toward saving Lake Michigan, and said that there will be displays of anti-pollutant devices at the Midwest Boat Show at Arlington.

Poloway also said that some of the boats which will be on display there will be so big that they will have to be shown outside. Even the huge area under the Arlington Park grandstand can't take them.

The Show opens its doors at 11 a.m. on weekends and at 3 p.m. weekdays. Closing hour each day is 11 p.m., except Sunday, when the final hour is 7 p.m. Tickets are a modest \$2 for adults and 75c for children.
